## Z2 now flies to Kalibo

Philippines AirAsia started their Cebu – Kalibo (Boracay) direct service last June 19 using A320 aircraft. The daily flight replaced their Caticlan service launched last April.

## JATIC, PAL, DOT and GMCAC host fam tour

The Japanese Association of Travel Industries in Cebu, in partnership with the Department of Tourism Region 7, Philippine Airlines and GMR Megawide Cebu Airport Corporation, hosted 24 travel agents from Japan on a familiarization tour from July 5-9, 2017. The agents came from Tokyo, Osaka, Nagoya, Fukuoka and Morioka via Philippine Airlines flights. GMCAC facilitated an airport inspection and welcome dinner event for the participants.

Japan makes up the 2nd biggest group of tourist arrivals in Cebu.

# What's New at MCIAs

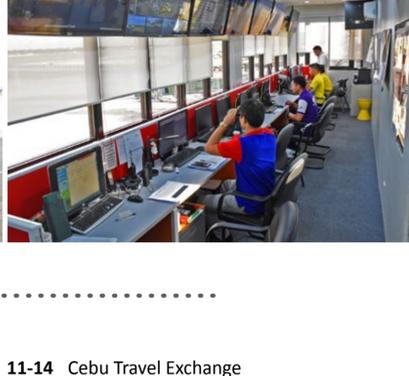

◀ Skip the lines! Philippine Airlines passengers can now use the self-check-in kiosks in the Check-in Area for faster processing. Today, Cebu Pacific, Cathay Pacific and Philippine Airlines passengers can enjoy the convenience of the self check-in kiosks.

The Airport Operations Control Center (AOCC) extension office opened last month. The extended office space accommodates airline representatives as well as MCIAs to facilitate more effective communication during their respective flight operations.

UBE Bus units are now being used for boarding and deplaning of remote-aircraft.
