The Department of Tourism Region 7 (DOT7) launched the first dive festival in the region dubbed as DIVE7 Summer Festivals. This is a series of events held from April – June 2021 in the region's top dive destinations including Moalboal and Malapascua in Cebu Province, Lapu-Lapu City and Panglao in Bohol.

The event which was organized in collaboration with the dive and tourism stakeholders included such activities like photo contest, scuba diving lessons and underwater and coastal clean-up activities. Even kids had their own bubble making contest.

The first leg was held in Moalboal last April 23-25, followed by Malapascua on May 13-15, Lapu-lapu City on June 4-5 and recently, Panglao on June 16-20.

The success of DIVE7 went beyond showcasing Central Visayas as a top-of-mind dive destination. The event also promoted sustainable tourism through the underwater and coastal clean-up activities which created an awareness in the community on how to take care and preserve our marine resources.

Lapu-lapu City Charter Day

Photos courtesy of Mayor Junard "Ahong" Chan

The City of Lapu-Lapu celebrated its 60th Charter Day last June 17, 2021. For the very first time, the city recognized and awarded outstanding Opongans and institutions who, through their works and contributions, are making a huge impact in uplifting the lives of the people of Lapu-lapu in the areas of public service, education, arts and employment.

The day started with the flag raising at city hall grounds led by Lapu-Lapu City Mayor Junard "Ahong" Chan, while the awards and recognition ceremony was held during the testimonial dinner.

This year's theme, "Honoring the past, celebrating growth and embracing change," very aptly describes the city and its people.

GMR Megawide Cebu Airport Corporation (GMCAC) was greatly honored to be among the ten institutions which received the award.

What Guests Say About Cebu

Charlie's Cup

“Beautiful view from this mountain top Cafe. Friendly staff and great food.” - David Leonard

“Drove up to Charlie's Cup for breakfast and some hot beverage with the farm this morning. It was such an amazing experience! We would definitely love to go back in the near future. Not only was the view astounding, but they have also exceeded our expectations with what the place has to offer. The 5 stars are for their excellent speed, accuracy, taste, friendliness and cleanliness. Our orders were done fast and were cooked to perfection, we got all our orders accurately (most of us had some special request on how we wanted our food & drinks done and got exactly what we asked for), the taste of both our food and our drinks was pleasant, staff were very accommodating, and despite the busyness, they still managed to keep the place clean. Also, I find the prices in their menu quite reasonable, since they've got an outstanding service anyway and the view itself is priceless. Thanks for the experience! We had a great time. I would recommend this place to my friends for sure.” - Tristan Cuadra

“The place is 30 mins drive from Cebu City. But the fantastic view it offers is worth the drive. Not to mention the good food and great service. I am not a cake person but their ube halaya cake is a must try. It is not too sweet. And to those pet lovers, this place is for you.” - Cran Toque

“Lots of varieties of authentic Korean, Indian, Japanese, Filipino and lots more! Spacious, clean and above all, prices are very reasonable. A must try for every traveler who's in town for the weekend.” - Daniel Dumaraos

“The place is nice and lovely. There's so many food choices.” - Peter Van Geneses Revecho

What's New in MCIA

Bumper to Bumper x Drive-In Ride-In Movie at Cebu Airport

The Mactan Cebu International Airport (MCIA) hosted the 10th edition of the "Bumper to Bumper (B2B)" event with ride-in/drive-in movie for the first time in Cebu, from June 5-6, 2021, at the T2 Carpark. The longest-running outdoor car show and lifestyle event in Asia featured the best automotive models and allowed car clubs and enthusiasts to show off their passion for automobile creations. 151 cars and off-road vehicles participated in the event.

"It's an honor to host the hottest car and lifestyle community activity of the year in our very own iconic airport, arguably one of the most beautiful airports in the country. We are excited to see and showcase the Filipino ingenuity in automobile engineering, while providing guests with new activities this year," GMR Megawide Cebu Airport Corporation (GMCAC) president Louie Ferrer said.

The organizers made sure that there is crowd control, and everyone observed the minimum health and safety standards.

The activity was a creative way to maximize the available spaces at the airport during this pandemic, while also hosting the first airport drive-in and ride-in movie show in the country.

Cebu receives the first delivery of Pfizer vaccines from COVAX

Thirty-six boxes containing around 210,000 doses of Pfizer-BioNTech COVID-19 vaccines allocated for Central Visayas were received at Mactan-Cebu International Airport (MCIA) via Air Hong Kong cargo flight on June 10, 2021. The second shipment of 36 boxes were part of the 2.2 million doses of Pfizer-BioNTech COVID-19 vaccines from the COVAX facility. Cebu is among the priority areas of the Philippine government's COVID-19 vaccination rollout.

MCIA New Walkway

The new 40-meter covered walkway located between Terminals 1&2 of the Mactan Cebu International Airport (MCIA) was completed last May 24, 2021. It is made of concrete, steel and plywood with 20 lamp posts illuminated by double focus lead downlight that cast a relaxing ambient glow. The walkway is consistent with the resort atmosphere of the airport.

Virtual Information Desk

The MCIAA virtual information desk located at the Airport Village in Terminal 1 was launched last May 17, 2021, provides a 24x7 passenger assistance without actual physical interaction between the passengers and the airport staff and at the same time safeguarded the health and safety of the public and the airport community.

Airport Stores Open to Serve you
